

Cherry Insurance-Leadership Saskatoon Community Leadership Award

Milton Taylor - 2014 Award Recipient

Whether it's in the photography community, the business community or the larger community of Saskatoon, Milton Taylor is a leader.

He believes in Saskatoon and all it has to offer. He knows that a community does not just happen, you have to build it.

This takes time, dedication, and patience. Milton gives back.

Mr. Taylor has contributed to our community not only as the leader of a creative and successful business, but also through a wide range of volunteer roles. He has worked with the Saskatoon Food Bank and Learning Centre Garden Patch Project, spearheaded the "100 Faces 100 Reasons" campaign to celebrate Saskatoon's Centennial, participation on many Boards of Directors and volunteer agencies in Saskatoon.

Mr. Taylor is currently serves on the Board of Care & Share Saskatoon, Tourism Saskatoon and the Saskatoon Golf and Country Club. He has been a long time member of Kinsmen and K40 and has served as a long-time volunteer at the Saskatoon Jazz Festival.

Milt also takes a very active role in mentoring both high school and post-secondary students though work placement at his business Imagery Photography.

Leadership is not always marching in front and carrying the flag. It's not always about grand gestures in the spotlight. Sometimes it's about every day quietly going about the business of believing in your community and working all the time to make it better. Leadership is about paying it forward. Milton Taylor believes in paying it forward and spotlighting others. This is the kind of community leader he is.

We are pleased to be able honor Mr. Taylor and his work with the 2014 Cherry Insurance-Leadership Saskatoon Community Leadership Award.
