# INTRODUCTION

Since 2000, Leadership Saskatoon has been offering a community leadership development program in Saskatoon. Our ecosystem is 1500 members strong and growing, with a network of nearly 600 alumni plus a host of volunteers who have served as facilitators, coaches, mentors, and board and committee members, as well as other supporters, donors, sponsors, and other friends of Leadership Saskatoon.

Each year we bring together a group of existing and emergent leaders from the public, private, and non-profit sectors for our 10-month leadership program, which offers a dynamic and challenging opportunity to learn more about oneself and about leadership in the context of Saskatoon's vibrant and diverse community.

We acknowledge we are based in Treaty 6 Territory and the Traditional Homeland of the Métis. As we strive towards a better future, we recognize the importance of Indigenous leadership in guiding us toward a more just and equitable society.

We reaffirm our commitment to the Truth and Reconciliation Commission of Canada's Call to Action No. 92 in learning from and supporting Indigenous leaders and ways of knowing, as well as promoting training in intercultural competency, conflict resolution, and anti-racism. Leadership Saskatoon is committed to making our events inclusive, diverse, and welcoming for all people in our community.

## MISSION

Leadership Saskatoon's mission is to develop effective, collaborative leaders by building awareness, understanding, and education to inspire involvement in building an inclusive community.

## VISION

A community of leaders committed to making Saskatoon the best place in Canada in which to live, work, and raise a family.

## CORE VALUES

Diversity & Inclusion  
Collaboration

Alumni & Citizen Engagement  
Lifelong Learning

**WE BUILD LEADERS. LEADERS BUILD COMMUNITY.**

# REPORT FROM THE BOARD CHAIR & EXECUTIVE DIRECTOR

If leadership requires constant learning, growth, and change, we continue to live our truth.

The 2023-24 program year brought continued change as we said farewell to Executive Director Kimberly Kroll-Goodwin in the fall of 2023 and welcomed Jolene Zidkovich to the role in December. We extend our gratitude to Kim for her energy and ideas in the short time she was with us. A 2018 program alumna, Jolene was excited to take the reins of an organisation she had stayed connected with over the years, remarking that taking on this role felt like 'coming home.' We were pleased to bring her on in this official capacity and look forward to her vision for program growth, alumni and volunteer engagement, and overall ecosystem stewardship, particularly as we approach our 25th anniversary in 2025.

We also bid farewell to Program Director Michelle King in June 2024, who was presented with an Honourary Alumna certificate at Graduation. We are grateful for the impact Michelle had on the program and participants in the two years she was with Leadership Saskatoon, making new connections within the community and bringing her own energetic leadership style to the program. Alison Robertson\* and Masood Rizvi stepped away from the Board of Directors, while we welcomed new Board Members Abdur Rehman Ahmad\* (Founding Member Appointee - University of Saskatchewan) and Lawrence Pinter, who had been sharing his mentoring talents with participants for a few years before joining the Board.

We would like to extend our appreciation to Communications Director Cassie Scarlett\*, who filled in as interim ED in the fall of 2024 and kept the boat steady through personnel changes and onboarding. We would also like to share our gratitude for volunteer extraordinaire Dinny Holroyd, who continues to be a steady presence, astute guide, and dedicated ambassador for Leadership Saskatoon. While we normally wouldn't like to single out any volunteer as we are grateful for all contributions of time, energy, and ideas, we in fact did just that in seeing Dinny recognized as an Honoured Supporter Honouree at the 2023 National Philanthropy Day Awards. Anyone who has been through the program or attended an event will have crossed paths with Dinny and has likely been forever impacted by knowing her. Congratulations, Dinny; it is Leadership Saskatoon who is honoured with the ongoing gift of your time and passion for this program.

We can continue offering congratulations by sharing that the 2024 Leadership Saskatoon Alumni Award was presented to Sharon Clarke (2012 alumna). The recognition serves as a testament to Sharon's outstanding achievements, remarkable contributions, and unwavering commitment to excellence and community leadership in the health field through a unique combination of Indigenous, government, and non-governmental experience. Congratulations again, Sharon!

## REPORT FROM THE BOARD CHAIR & EXECUTIVE DIRECTOR - CONT.

Leadership Saskatoon itself was nominated for the Community Impact Award at the 2023 SABEX Event. Although we didn't take home the prize, it was truly an honour to be nominated, and allowed us the platform to continue promoting our program, alumni, and contributions to Saskatoon through the prestige of the nomination.

We write these words in the somewhat unusual position of it being Julian's last report as Board Chair, and Jolene's first as ED. We are both very proud to be part of this ecosystem, firstly as alumni (Julian from the very first Class of 2001!) and then through various volunteering and now staff roles. We are continuously finding LS connections in all corners of the city and all types of industry, public service, and community work, and consistently hearing stories of how LS has impacted our graduates as well as the countless facilitators and coaches who share their time pro bono to ensure we can continue offering an accessible program with the highest quality of curriculum and facilitation. We see participants and mentors continuing to meet long after graduation, and alumni re-connecting through community events, making connections for collaboration. We're inspired by the stories and people which led us to this point, and by the possibilities for the next 25 years.

We could not have built the leadership capacity of our city without our key funders, supporters, sponsors, and donors. We are grateful to our founding partners – Greater Saskatoon Chamber of Commerce, Saskatoon Community Foundation, and University of Saskatchewan – who continue to highlight the critical importance of leadership in our business, non-profit, charity, and public service sectors. Most importantly, we recognize that Leadership Saskatoon could not exist without the unwavering and passionate support of our dedicated volunteers. Thank you to our Board of Directors and Volunteer Facilitators, Coaches, Presenters, Mentors, and Committee Members for your dedication to Leadership Saskatoon.

Julian wants to take this opportunity to thank Jolene, Cassie, and his fellow board members for their dedication and passion to Leadership Saskatoon. Leadership is a journey and moving on is a natural part of that process. All anyone can do is hope they have left the place better than when they arrived. Julian leaves the board confident that the stewardship of the organization is in good hands and he looks forward to watching Leadership Saskatoon continue to evolve, grow, and continue to serve the community that we all love.

Yours in Leadership,

Julian Demkiw\*, Chair, Board of Directors

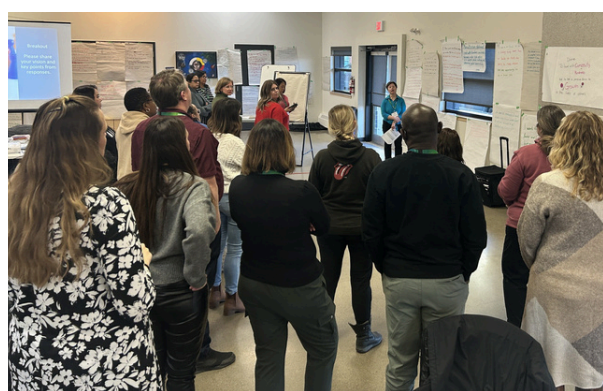

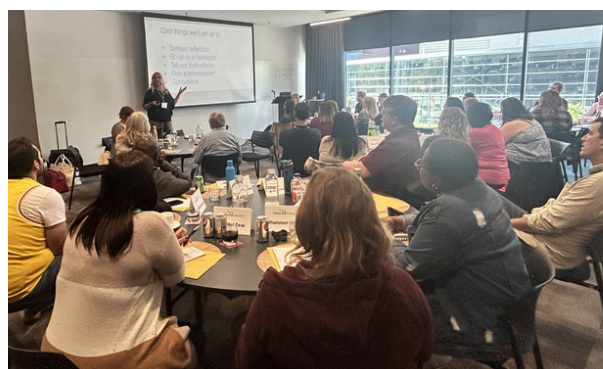

Jolene Zidkovich\*, Executive Director

# PROGRAM REPORT

The Class of 2024 consisted of 28 participants. The 2023-24 Leadership Program opened with orientation, followed by a two-day retreat which started off with "Learning Mindsets" with Carolyn Hoessler\* and Bill Brooks\*, then "Who Am I As A Leader" with Jenn Minor Johannson. On Saturday Lorna Callbeck Cross and Cassie Scarlett\* led a session using the Intercultural Development Inventory, followed by a Closing Circle with Elder Florence Highway.

The participants learned about the MBTI (Myers-Briggs Type Inventory) at the October Challenge Day, facilitated by Jolene Watson. In November leaders attended Marielle Gauthier's session "Foundations of Leadership: Values, Strengths, & Core Leadership Practices". In December at the Top of The Inn, Diane Fletcher presented on "Leadership in Action" and helped the cohort form their Learning Teams. At lunch, the Mentors joined us and met their mentees. Deputy Mayor Sabrina Gersher was in attendance and brought remarks from the City of Saskatoon. In the afternoon, "Powerful Questions, Deep Listening, and World Café" was facilitated by Brian Hoessler\*, Terry Lowe\*, and Dolores Wollbaum.

The January Challenge Day was hosted at Station 20 West and featured Ruth Kinzel presenting "Collaborative Leadership: Strengthening and Supporting Teams & Leaders at all Levels." In the afternoon, learning teams met with their coaches - Marielle Gauthier, Kathleen Ozmun, Arin Jorgenson, Suzanne Anton, and Tracey Kowalchuk - to develop their learning team charters. In February, Glenda Ball\* debriefed the Leadership Practices Inventory 360° Assessment with leaders. In the March session, we were privileged to have Aaron Tootoosis walk us through Canada's treaty relationship with First Nations on behalf of the Office of the Treaty Commissioner. In April, Arin Jorgenson presented on Change Leadership.

## PROGRAM REPORT - CONT.

In May, Ruth Kinzel led the cohort through “Navigating Conflict: The Importance of Emotional and Social Intelligence”. The June Challenge Day and Graduation brought our 10-month program to a close.

Learning Teams presented in the morning and the presentations were all creative, engaging, and impressive. Jenn Minor Johannson finished the day with the session, “My Leadership Journey; Reflection”. It was an amazing day, followed by an engaging graduation ceremony. Anna Shule was Emcee, and Chantel Huel and Grant Linklater were Co-Valedictorians.

Keith Willoughby, Dean of Edwards School of Business was in attendance and co-presented the graduation certificates with Leadership Saskatoon Board Chair Julian Demkiw. Mayor Charlie Clark, Julian, and Keith all delivered impactful speeches. Sharon Clarke, Director – North, First Nations and Métis Health, Saskatchewan Health Authority was the recipient of the 2024 Leadership Saskatoon Alumni Award.

The Program Committee regrouped in the 2023-24 program year and began collaborating on ideas to make the 10-month flagship program even stronger. Special thank you to Ally Rinas for stepping in as the chair of the committee! Much of Leadership Saskatoon’s success comes from the impressive support of our volunteers. We continue to be grateful to all our facilitators and coaches for their help in making our program such a success.

Ally Rinas\*, Program Committee Chair & Cassie Scarlett\*, Program Director

# MENTORSHIP SUB-COMMITTEE REPORT

On behalf of the Mentorship Sub-Committee, I am pleased to provide our annual report.

The mentorship component of the program works in tandem with the Leadership Saskatoon curriculum to provide participants with a well-rounded and rich experience in leadership training.

Every fall, the Mentorship Sub-Committee works hard to make great matches based on information gathered from both participants and mentors. The sub-committee welcomed seven new and 21 returning mentors in the 2023-24 program year. We also welcomed two new committee representatives which expanded our committee to 11.

This year, the sub-committee was invited to meet with program participants at the fall retreat. To assist us in getting to know the participants, we hosted a mixer event after supper where each of the representatives were able to meet with each participant to ask questions. This was the first time the sub-committee hosted this type of mixer and it was very well received by the committee representatives and participants.

In November, all matched mentors were invited to an orientation and networking evening. It was a great evening for mentors to meet and an overview of the mentorship component of the Leadership Saskatoon program was provided.

## MENTORSHIP SUB-COMMITTEE REPORT - CONT.

Mentors and program participants met at the Meet Your Match Luncheon in December, one month earlier than prior years. Wayne Brownlee (mentor) and Kevin Hall\* (2023 program alumni) spoke at the luncheon to discuss their successful mentorship experience. We are grateful to SaskTel for sponsoring this special occasion.

At the end of the program year, we surveyed the mentees on their mentorship experience. The year-end results confirmed that connecting program participants with community leaders continues to be an important component of the program.

We are very appreciative of the Leadership Saskatoon Staff for the great support they extended to the Mentorship Sub-Committee throughout the year.

Manda Graham\*, Mentorship Sub-Committee Chair

# LUNCH & LEARN COMMITTEE REPORT

The Leadership Saskatoon Lunch & Learn Program has been offering quality leadership programming to the broader Saskatoon community for 17 years. Initially, presentations were focused on supportive professional development for Executive Directors and management teams working in non-profits and charities. These free brown bag lunch sessions offered expert and peer advice facilitated by community volunteer Cheryl Dougan on the "What" and "How" of leading and managing community-based organizations.

The program has since evolved to meet the needs of the larger community while continuing to offer high-value presentations. Committee members recruit top-notch experienced facilitators to present on various aspects of leadership to a broadening audience.

The committee has remained more or less consistent in number with some resignations and new recruits over the last year. The committee is now led by two Co-Chairs.

Despite some challenges in finding venues that worked for our attendees, the year saw a healthy increase in attendee numbers. All signs indicate we are returning to pre-pandemic levels and so the committee will continue to look for venues that can satisfy our needs - number and locale-wise.

We believe the noon-hour events continue to bring together a diverse group of people to discuss current issues and leadership in today's constantly changing work environment. Our program demographics show our audiences are comprised of graduates from the formal Leadership Saskatoon program, leaders from community-based organizations and for-profit businesses, entrepreneurs, and corporate executives.

The Lunch & Learn program is typically comprised of four formal presentation events offered over the lunch hour from September to April, as well as an extended 2-hour Lunch & Learn in May. This May presentation offers a closer look into a more complex aspect of an evolving challenge or topic. Our 2023-24 series featured the following:

**JOIN US FOR A LUNCH & LEARN!**

**Reconciliation in the Workplace:**  
**Bringing the 94 TRC Calls to Action into the Core of the Organization**

**Outcomes:**

- Learn how to weave reconciliation through your workplace
- Learn which Calls to Action can be implemented in your workplace

# LUNCH & LEARN COMMITTEE REPORT - CONT.

Oct - Positive Intelligence - Marielle Gauthier

Dec - Reconciliation in the Workplace - Rhett Sangster & Shaid Heimbecker (Office of the Treaty Commissioner)

Feb - Mentoring & Coaching - Paul Ottman

Apr - Ageism in the Workplace - Bill Brooks\*

May - AI & Leadership (Katrina German, Todd Hardy\*, & Paula MacDowell, facilitated by Abdur Rehman Ahmad\*)

Since its inception in 2007, the volunteer committee that organizes the program has produced and hosted more than 100 presentations for Saskatoon's leaders. We would like to thank and celebrate our fellow volunteers - Erin Bentley\*, Sanjukta Choudhury, and Cynthia Johnston\* - as well as the Leadership Saskatoon staff (Cassie, Michelle, and Kim/Jo).

We also thank the TD Bank Group for their financial sponsorship and commitment to the Lunch & Learn series in the 2023-24 program year.

Finally, a special thanks to our amazing presenters who freely offered their talents to benefit our program and our community. We could not offer such high calibre and expert talent without the incredibly generous gift of your time, expertise, and experience.

Once again, the committee pulled together an amazing program that reflects the issues and challenges leaders and colleagues faced in the workplace in 2023-24. Our goal is to keep this program vibrant, evolving, contemporary, and relevant to the communities we all serve through Leadership Saskatoon.

Dinny Holroyd & Margot Weiner\*, Lunch & Learn Committee Co-Chairs

# ALUMNI COMMITTEE REPORT

For the 2023-24 program year the Leadership Saskatoon Alumni Committee continued our goal of connecting Alum from our ever-widening net of superb community leaders and giving back to Saskatoon as a community. The alumni committee started a focus on volunteering as a group and continued planning and hosting social events.

For our first volunteer event the committee decided to support the Saskatoon Food Bank & Learning Centre, both as an impactful organization in its own right and as a long-time community partner of Leadership Saskatoon. The group settled on a Weeding Wednesday at the Food Bank's Garden Patch. It was a nice evening to get together and help out, and as a group we were able to tour the garden and learn some interesting facts and tips for gardening – such as how pigweed leaves are edible and tasty!

The Alumni Committee also had the honour of selecting and presenting the 2024 Leadership Saskatoon Alumni Award to Sharon Clarke, who once again reinforced the fact that the Leadership Saskatoon program has contributed to some wonderful leadership journeys. The award is an important to Leadership Saskatoon's past and future and is a key part of the graduation event, highlighting the need for the Alumni Committee to ensure we are sufficiently promoting the award and receiving nominations.

After the June graduation the Alumni Committee hosted a summer farewell and 'Meet the Grads' event at the Hunger Cure Restro Bar in downtown Saskatoon. Again, with such a robust network it is important for our newest Alumni to know there is a vibrant group of leaders that have experienced the program whom they can connect with – just as it is important for those of us who are a bit more grizzled to experience the exuberance of those freshly out of the program.

As the chair of the Alumni Committee, I would like to thank the committee members for their time, energy, and ideas, and hope we can continue to grow our events and keep on connecting as alumni.

Dave Troesch\*, Alumni Committee Chair

## LEADERSHIP SASKATOON ALUMNI AWARD

Leadership Saskatoon is thrilled to announce that Sharon Clarke, a distinguished member of our alumni and community leader, has been honoured with the 2024 Leadership Saskatoon Alumni Award. This recognition serves as a testament to Sharon's outstanding achievements, remarkable contributions, and unwavering commitment to excellence and community leadership in the health field, through a unique combination of Indigenous, government, and non-governmental experience.

A member of the Chakastaypasin Cree Nation in Saskatchewan, Sharon has gained extensive management and leadership experience working in health and education within government, non-profit, and Indigenous organizations across Canada and internationally. Her efforts have contributed towards a growing transformation and engagement of leaders and staff towards a culturally responsive and safe health system. Sharon has been instrumental in the planning and implementation of an emerging Indigenous health strategy at the national level with the Canadian Institute for Health Information, while also consulting with the World Health Organisation around Indigenous health issues and initiatives.

Sharon remarks that it is wonderful to be honoured as an Alumna of this Leadership Saskatoon, saying, "I loved learning with and from the program facilitators and fellow leadership colleagues, and I value the learning and lessons as they have enriched my leadership journey!"

Sharon was formally honoured during the Leadership Saskatoon Graduation Ceremony in June 2024.
