

Program Attendance Policy

At the end of the program, graduates receive a certificate of participation awarded by Leadership Saskatoon and the University of Saskatchewan. In order to uphold the integrity of the certificate, participation requirements must be met.

Leadership Saskatoon offers a team learning environment and a significant portion of the learning is done in small working groups. Absences will affect a participant's learning and impact the opportunity for shared learning.

It is an expectation that participants attend the Orientation, full Opening Retreat, and all of the Challenge Days. Recognizing that on occasion there may be unforeseen conflicts, two (2) absences will be allowed. **Please note that attendance at opening retreat is mandatory, as it lays the foundation for the entire program.**

Should more than two (2) absences be recorded, the Program Director will contact the participant to discuss the possibility of continuing the program, but not receiving the certificate of participation, or possibly withdrawing from the program. If such a decision is made, Leadership Saskatoon will inform the participant's sponsor/funder (where applicable).

Due to the amount of advance preparation required when a candidate enters the program, no refunds will be issued after Orientation.
