## Is This Program for You?

Leadership Saskatoon is for you if you....

- ✓ Care about your community and want to contribute beyond your current role.
- ✓ Are ready to grow through reflection, feedback, and real-world application.
- ✓ Lead — with or without a title.

Leadership is about influence, not position.

- ✓ Want to strengthen how you show up in communication, conflict, and change.
- ✓ Value diverse perspectives and learning alongside leaders from across sectors.

Leadership Saskatoon is interactive, reflective, and developmental. If you're motivated to grow and contribute — you belong here.

**Ready to grow as a leader and contribute to your community?**

**Application Deadline  
June 1**

**A 10-Month Leadership Experience**

Grow your confidence, expand your perspective, and strengthen your impact — as a leader and as a community member.

Learn across sectors.  
Lead with purpose.  
Create real impact.

**We build leaders.  
Leaders build community.**

## Why Leadership Saskatoon?

Leadership development doesn't happen in a single workshop. It unfolds over time, through **experience, reflection, and relationship.**

This program is a **transformational learning journey** that brings together a diverse cohort of leaders from across the public, private, and non-profit sectors.

Through **community-based learning, dialogue, and applied leadership practice**, participants deepen self-awareness, strengthen leadership capability, and learn how to lead with others.

*"The program reinforced the importance of community relationships, transparency, and servant leadership—principles I now strive to live by each day in my role as a police leader."*  
-Tonya Gresty, Superintendent, Saskatoon Police Service, 2020 Alumna
