

Program Attendance Policy

At the end of the program, graduates receive a certificate of completion awarded by Leadership Saskatoon and the University of Saskatchewan. To uphold the certificate's integrity, participation requirements must be met.

Leadership Saskatoon offers a team-based learning environment, with a significant portion of the learning occurring in small working groups. Absences will affect a participant's learning and impact the opportunity for shared learning.

It is expected that participants will attend the Orientation, the full Opening Retreat, and all Challenge Days. Recognizing that on occasion there may be unforeseen conflicts, two (2) absences will be allowed.

Please note that attendance at the opening retreat is mandatory, as it lays the foundation for the entire program.

Should more than two (2) absences be recorded, the Program Director will contact the participant to discuss the possibility of continuing the program without receiving the certificate of completion or possibly withdrawing from the program. If such a decision is made, Leadership Saskatoon will inform the participant's sponsor/funder (where applicable).
